The whiteboard shared with me wasn't that great of quality. I could not see the board because of the bluriness. It could possibly be due to joining this website on a tablet and not on a PC. Anyways,other than that small issue, my tutor helped out a lot with my question and got into much detail. Thank you and keep up the great service!	9th

Awesome tutor - helped me understand that what I thought was difficult (hydrogenation) is actually simple....at least he made it seem that way. I feel so much better about my homework. THANK YOU SO MUCH!!!!	College - Intro
The tutor stayed on until I understood. He made polar bonds a little easier for me to understand. Thank you so much!	College - Intro
I love this site but the tutors extend the lessons a little longer than needed. We need to learn it fast in most cases because we have other homework we need to complete. An hour long, drawn out session is a little too much for stuff that could take 20 minutes. Love this though.	College - Intro
Thank you for helping me understand the trans and cis isomers.	College - Intro
